

Don Vendetta

The following statement was released by Trey Daubert on his own behalf.

For Immediate Release:

Vendetta Sports Media is proud to announce that we will be partnering with the Department of Education. VSM will specifically be working with CS4ALL which is part of the New York City school district.

CS4ALL is a fantastic program with an inspiring mission. CS4ALL represents computer science high school students all across New York City. Vendetta Sports Media is proud to be a part of CS4All's Pathfinders Internship Program providing valuable experience for those students.

Eight fortunate students will be part of the initial launch of the partnership. This program also paves the way to partner with other sectors of the NYC DOE which is already being aggressively pursued.

We're thrilled to announce this partnership and it speaks volumes that the NYC DOE is interested in working with us.

I am more than my thoughts. I am a living, breathing thing. My thoughts could be correct. My thoughts could be incorrect. But my thoughts are valid because I am smart.
